TAFE APPRENTICE AWARDS NIGHT

Gary, Julie and Peter from Hytile recently attended the NMIT's annual apprentice awards evening.

Hytile sponsored two Rooftiling awards, and the winners Raymond Schwarze and Jay Taylor are pictured with TAFE teacher extraordinaire Shane Scotson.

Guest speaker for the evening was Radley DeSilva, Deputy Executive Director of the Master Builders' Association of Victoria. He said that

even though Victoria has been experiencing a mild downturn in the building industry, it is worth noting that in the past year there have been 40,000 new homes. This compares with an average over the last 15 years of 35,000.

Under the Australian Government's "Tools For Your Trade" initiative, new apprentices are now entitled to receive tool kits to the value of \$800. Hytile are a registered supplier, so please let us know if we can help you.
