## CHRISTMAS TRADING HOURS

Hytile Croydon and Hytile Hallam will close for the Christmas break at lunchtime on Tuesday the 23rd of December, 2008.

We will be open from 7am to 11am on Monday, Wednesday and Friday of the week commencing 5th January 2009, and will resume our normal trading hours from Monday 12th January 2009.

## ENCOURAGEMENT FOR THE AUSTRALIAN BUILDING INDUSTRY

If you are a regular television news viewer you will be feeling a little overwhelmed by all the negativity thrust upon us each evening in recent times. Hytile began business more than 44 years ago and over this time we have survived many down turns in the economy and this one will be no exception. It has been our experience that **where the building industry goes, so too does the Australian economy**, and in spite of all the doom and gloom out there, the building industry remains in very good shape.

## TRADE IN YOUR OLD HOIST OR ELEVATOR

Before you put your old workhorse out to pasture consider trading it in on a brand new model with all the improvements of the last 44 years.

Many of the old models out there were hard at work even before their current owners were born.

This offer is for December and January only, so bring in your old machine and Gary, Mark or Peter will let you know what it's worth as a trade-in.

## HAVE A LOOK AT HYTILE'S NEW WEBSITE

## NMIT APPRENTICE AWARD EVENING

Northern Melbourne Institute of TAFE's Roof Tiling Apprentice Award evening was held recently at the Epping Campus.

Unlike previous years when all trades were included, teacher Shane Scotson made sure this night was all about Roof Tiling. Speakers included Andy and Andrew from Supervised Roofing who talked about what it was possible to achieve if the students stuck at it for the long term, and Craig Coghlan from C & L Coghlan Roofing who stressed the importance of looking after the financial side of a business.

The graduating Roof Tile apprentices all received goods supplied by the evening's sponsors - Hytile, Roof Fixing Supplies and C.S.R. Roofing. These same sponsors, along with the Roof Tile Association of Australia, also supplied the major awards for the evening.

I spoke with C.S.R.'s Business Development Manager Lino Del Papa on the night who said that the tripling of the first home owner's grant for new homes was having a dramatic effect on some builders, who, in contrast to the last few months, were now busy writing up lots of new contracts.

## HYTILE HALLAM'S 3rd BIRTHDAY

Our branch in Hallam celebrates three years of operation this month. Each year more and more roof tilers in the south-eastern region have taken advantage of having a local Hytile that can service and repair their equipment, and supply them with their day-to-day requirements.
