## **NEW** HYTILE OUTLET AT HOPPERS CROSSING

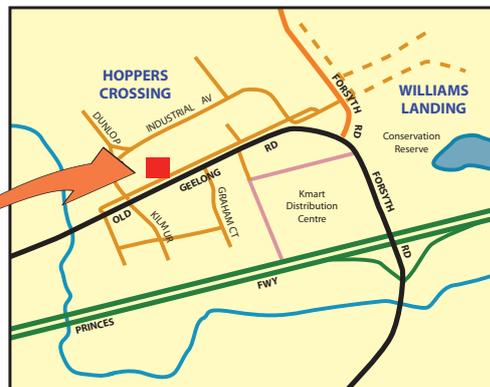

Hytile now have a new outlet at Hoppers Crossing in Melbourne's West.

Located just 2 minutes from Exit 16 on the Princes Freeway, it is easily accessible from any direction.

**ADDRESS: Factory 8,  
387-393 Old Geelong Road  
Hoppers Crossing  
Phone: 8368 2429  
Melway ref.: 203 E11**

Drop in to see Darren and ask him about our opening specials. He would love to demonstrate our latest model Cable Hoist, or our Belt Elevator with the NEW Adjustable Bend which is so quick and easy to operate.

As with our Croydon and Hallam sites, Hoppers Crossing offers everything a roof tiler needs - and we can repair, test and tag all your equipment and tools.

## HYTILE EQUIPMENT IS NOT A COST

- it's an investment which  
continually earns you money.

Is now the time to up-date your old Cable Hoist or Belt Elevator? **You can lease a new machine for around \$65 a week**, and our leasing agent operates in all states. Give Cheryl or Faye a call at our Croydon office for details on 03 9725 4488

## RIDGE COVERS

We've had a lovely long run of great weather this year, however, with winter coming on the wet weather will be here before you know it. Make sure you have some Ridge Covers in your tool kit so you are able to protect your bedding and pointing from being washed away in a downpour.

**Great low price per 7  
metre Ridge Cover**

# ROOF TILING APPRENTICE AWARD NIGHT

Gary, Peter and Julie from Hytile attended NMIT's recent apprentice award evening. All graduating Roof Tile apprentices received goods supplied by the evening's sponsors – Hytile, Roof Fixing Supplies and C.S.R. Roofing.

Along with the Roof Tile Association of Australia, these same sponsors also supplied the major awards for the evening to the Roof Tile Apprentice of the Year, and the two Runners-Up. A great night was had by all

Gary and Peter with award winner Alex Cannon.

James Grose, who spoke on the night, with his dad Jim, who is also a long-time roof tiler.

*"Never tell people how to do things. Tell them what to do and they will surprise you with their ingenuity."*  
**George Patton**

## WIREROPES

When you purchase a wirerope for your Hytile Cable Hoist, the cheapest is not the best. While most may look the same, the quality can vary a great deal. A cheap wirerope will not only wear quicker, it will also stretch more, and when it stretches it loses some of its grip around the drivewheel. This will shorten the effective working life of your drivewheel as well as your wirerope.

## CHRISTMAS HAMPER WINNER

The lucky winner of the Hytile Christmas Hamper was Queensland customer Kris McDonald. Kris gets his Hytile equipment from Ivor and David at Brisbane Roof Tiling Supplies and he was very happy to hear of his win. His response: "Cool!"
